

World AIDS Day

December 1, 2019

NSS Unit of the College has celebrated the 30th World AIDS Day on December 1, 2019. Program Officer, Dr. Kamaljit Kaur has delivered a short lecture on the need for awareness on the AIDS. Prof. Sarabjeet Kaur, Deptt. of Zoology has delivered an expert lecture to the volunteers on the causes, symptoms, and preventive measures against AIDS. Dr. Sarabjeet explained that prevention is the best remedial measure to control the spread of this fatal disease. Principal Dr. Amandeep Kaur has advised the volunteers to be aware about various problems and evils being faced by the contemporary society and to spread this awareness among the masses.
