

# AKAL DEGREE COLLEGE MASTUANA (SANGRUR)

## Greetings from Akal Degree College, Mastuana!

I am pleased to convey that our institute is providing education for several undergraduate and postgraduate courses. Our placement cell works towards preparing our students with the right combination of skill-set required for becoming a successful employee or entrepreneur. This cell provides necessary information regarding various educational and vocational opportunities to the students. The main motive is to build up highly talented youth who will be ready to accept the responsibilities and challenges in the modern world. Our placement cell plays a crucial role in finding job opportunities for the students who are passed out by enabling them to touch with various firms and industries. The placement cell works throughout the year to facilitate the contact between companies and graduates. For this purpose, Students are taken to visit many companies to conduct interviews.

The Placement cell organizes a career guidance programme for the students. The Institute also arranges training programmes as mock interviews, Group Discussion etc from time to time.

### **The main objectives of placement cell can be defined as follows:**

1. To motivate the students to build up knowledge regarding various skills in terms of career planning.
2. To provide the students avenues of higher studies and guiding them for several competitive exams such as PhD entrance test, UGC-NET, SET, Bank- PO, Clerical exams etc.
3. To organize workshops and seminars to generate confidence among students.
